Welcome to the CEFPPA!

The CEFPPA Adrien Zeller is delighted to invite you to discover our programme of training courses in the world of hospitality.

Join us in this wonderful adventure, and learn "Excellence through experience".

► Our offer

The CEFPPA offers a one year training course as part of an apprenticeship contract.

The course takes place alternately at the CEFPPA and in a relevant company: you will spend 420 hours in training at the CEFPPA throughout the year, and the rest of the time at work in your company. The course is free, and you will be paid by your company.

The CEFPPA guarantees that you will learn the general skills, professional skills and values of the trade.

The CEFPPA will prepare you to sit the national exam and gain a professional qualification, at a level from 3 to 5 in the European Qualifications Framework.
